Accent 1200

[15359]

Base Price: \$7,595.00

Overview

Accent™ 1200 is our new, high-performance AAC solution with advanced functionality and user-friendly features.

The first in a new line of powerful AAC solutions from PRC, Accent 1200 makes communicating and connecting faster and easier for pediatric, teen, and adult users.

Accent 1200 is preloaded with PRC's proven language development software and features an array of built-in support resources for users and clinicians, including a Context-Sensitive Help function and language development resources from PRC's AAC Language Lab. Plus, Accent 1200 lets users enjoy social interaction with friends and family via two cameras for picture-taking*.

*Internet access available on integrated models only.
